Subject: Renewal of the UNESCO Chair on Health Education for Sustainable Development, North-Ossetia State Medical Academy, Russian Federation (ID 1282).

Dear Professor Remizov,

Dear Chairholder,

We wish to refer to your request for renewal of the Agreement between UNESCO and the North-Ossetia State Medical Academy of the Ministry of Healthcare of the Russian Federation, concerning the UNESCO Chair on Health Education for Sustainable Development established on 15 March 2018.

I am pleased to inform you that UNESCO agrees to renew the above-mentioned Agreement for an additional period of four years, until 15 March 2026.

The Chair has carried out a wide range of scientific research, training, information and documentation projects, contributing to the United Nations global priorities related to health and well-being. The Chair has participated in UNESCO conferences, generated publications on medical sciences, and has become a very well-known center for training medical personnel and for methodological and experimental research for sustainable development in the field of healthcare in the Republic of North Ossetia-Alania and in the region.

The Chair is invited to strengthen its cooperation with the UNESCO Education Sector to prioritize activities that are more relevant to UNESCO's Education Sector-specific priorities and fully contribute to the linkages between Health and Education issues, promoting health and well-being in and through education. We also encourage the Chair to expand its academic outreach to institutions in the Global South and to strengthen its cooperation with other existing UNESCO Chairs on health and sustainable development.

I am enclosing a new standard UNESCO Chair logo for the use of this Chair.

Kindly note that the enclosed generic UNESCO Chair logo must be used as is, alone and independently, without any other elements placed next to or around it. In addition, this Chair's own logo should not be juxtaposed to the UNESCO logo.

I kindly remind you that the use of the UNESCO Chair logo is limited to the period covered by the renewed Agreement. Moreover, all publications, papers and documents should carry the following disclaimer and an electronic copy or URL link sent to unitwin@unesco.org:

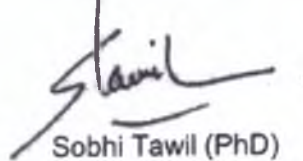

"The authors are responsible for the choice and presentation of information contained in this... as well as for the opinions expressed therein, which are not necessarily those of UNESCO and do not commit the Organization".

A mid-term report is due by March 2024 followed by a final report by March 2026. Reports should follow the UNESCO template available at <https://en.unesco.org/unitwin-unesco-chairs-programme>

Finally, I invite you and the Chair's team to contact Mr. Yong Feng Liu, Project Officer, Section of Health and Education, Education Sector of UNESCO (e-mail: yf.liu@unesco.org) who has been identified as this Chair's focal point at UNESCO to explore further possible cooperation. For all other issues, please contact the UNITWIN Programme team at unitwin@unesco.org.

I wish this UNESCO Chair full success in achieving its objectives.

Yours sincerely,
